

## Free Ticket Program Theatre Community Inclusion Project

Recognizing not everyone can afford the cost of admission, PPF provides free tickets to organizations that serve underserved young people and their families. A limited number of tickets are available for each performance and tickets are distributed to qualified organizations on a first come, first served basis. All other ticket policies apply. For more information, please visit our website at [www.providenceplayers.org](http://www.providenceplayers.org)

To qualify, you must represent a legitimate non-profit organization, government agency or school that supports underserved youth.
