Ten strangers, apparently with little in common, are lured to an island mansion by a mysterious couple. Over dinner, a record begins to play, and the voice of an unseen host accuses each person of hiding a guilty secret. That evening, one of the guests is found murdered by a deadly dose of cyanide. The tension escalates as the survivors realize the killer is not only among them but is preparing to strike again... and again.

**by William Inge**

On a sweltering Labor Day morning in a small Kansas town, the women of a quiet neighborhood on the wrong side of the tracks are preparing for the annual picnic. Their lives are disrupted when Hal Carter, a muscular and charming young drifter, hops off the freight train and heads straight for Mrs. Potts' hospitable home.

## ***Enchanted April***

In this gentle and romantic comedy, two London housewives pool their savings to rent a villa in Italy for a ladies-only holiday away, reluctantly recruiting a pair of difficult upper-class women to share the cost and the experience. Against the backdrop of a country still reeling from World War I, the women join together under the Mediterranean sun, seeking a necessary balm of sunshine and renewal.
